

ACKNOWLEDGEMENTS

We take this as a great opportunity to share with you the Annual Report of our organization for the period April, 2006 to March, 2007.

We are extremely grateful to our project partners and stakeholders who have been instrumental to our success in the entire year. Particularly, we are thankful to TPAK & JICA, Japan and JICA, India for providing the technical and financial assistance to carry out the project in one of the most backward block Ghat of border District Chamoli.

We are also thankful to our other financial and technical support partners like UNIFEM, Japan, UNICEF, Lucknow, CREATE, Lucknow, M. L. N. Medical College, Allahabad, World Food Programme & Forest department, Uttarakhand and Swajal project, Govt. of Uttarakhand for their significant contribution and guidance during the year.

Our gratitude is also due to many concerned officials and individuals for their help and support. We appreciate the support and input provided by the representatives of JICA, Japan and India, particularly, Ms. Tomoko Takeuchi, Team Director, Partnership Promotion team, JICA, Yokohama, Mr Tomoyuki Fujii, Resident Representative, JICA India office, Mr. Minoru Hiramoto, Project Formulation Advisor, JICA India office, Ms. Chikada Machiko, Ms. Machiko Buckley and other colleagues at TPAK, Japan, Dr Sheila C. Vir Project officer, UNICEF, Lucknow and other concerned officials and partners.

We also appreciate the contribution made by the concerned Govt. officials from state to District and Block level in Uttarakhand and U.P. for providing support in execution of various field level trainings and programmes.

We would like to place on record the services rendered at the village level by the frontline functionaries of Govt. Deptt. and village volunteers etc. as without them many achievements of the project would not have been possible.

Our acknowledgement will not be completed without the heartiest thanks to Mamta Executive Board, advisors, friends and particularly our project staff for being with us as a support in order to execute the project successfully.

We look forward to your continued Support & Guidance in future.

Thanking you, With Regard
